

2009 University/Community Service-Learning Course Enhancement Grants (due F...

Recipients must be Ohio State faculty or staff and the grants are for Ohio State academic service-learning courses.

Funding is available in amounts up to \$300 for course enhancement to fund costs that result in lasting change and improvement of an existing service-learning course.

Funded teams are required to (1) submit a proposal for the "S" designation indicating a service-learning course; (2) assign electronic pre- and post-course survey instruments developed by the Service-Learning Initiative (survey results will be provided to faculty); and (3) submit a report at the end of the quarter after the course is offered.

Service-Learning Course Enhancement Grants

Course Description, Budget, and Impact

- * 1. What are the title, objectives, and content of the credit-bearing undergraduate, graduate, or professional service-learning course?

A large, empty rectangular text box with a light gray background and a thin black border. It has a vertical scrollbar on the right side, indicating it is a scrollable area for text input.

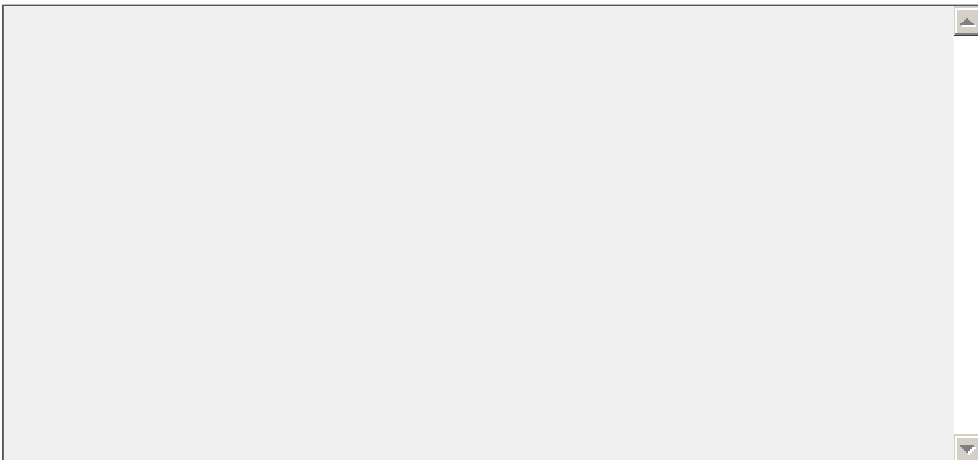

- * 2. What is/are the service activity(ies) to be performed by students?

A large, empty rectangular text box with a light gray background and a thin black border. It has a vertical scrollbar on the right side, indicating it is a scrollable area for text input.

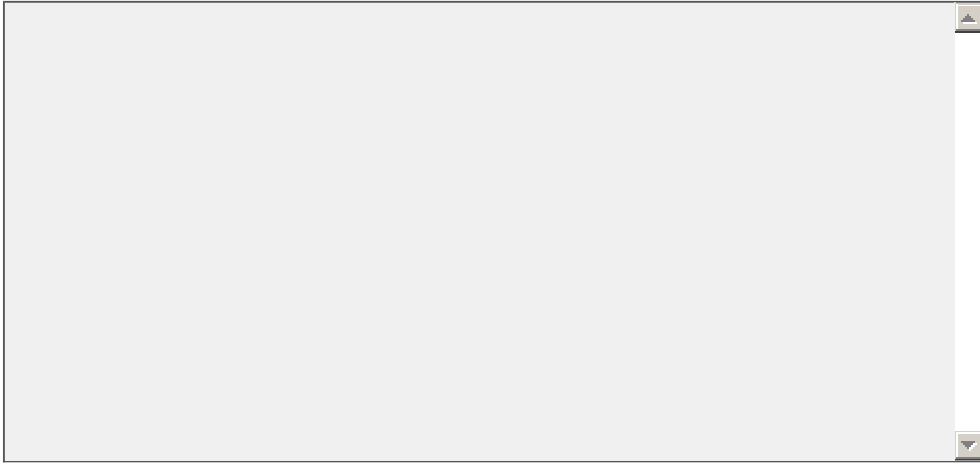

- * 3. Budget: How will funds be used to enhance the course?

A small, empty rectangular text box with a light gray background and a thin black border. It has a vertical scrollbar on the right side, indicating it is a scrollable area for text input.

- * 4. Assessment of Impact: What are the outcome goals?

A large, empty rectangular text box with a light gray background and a thin black border. It has a vertical scrollbar on the right side, indicating it is a scrollable area for text input.

* 5. Assessment of Impact: How will outcomes be measured?

A large, empty rectangular box with a light gray background and a vertical scrollbar on the right side, intended for a response.
